ABOUT

2DieFor is a Finnish music project born not from ambition, but from necessity. A place to put the things that have no other place to go — the anger, the grief, the memories that won't stay quiet.

Their sound sits at the intersection of heavy metal vulnerability and alternative pop-rock accessibility. Songs built on raw emotion, cinematic atmosphere, and the kind of honesty that makes listeners feel less alone at 3am. Every video, every production, every frame — made entirely in-house.

OUR FAVORITE TRACKS

01	**RUNNING FROM MYSELF** *A relentless chase inward — raw anxiety set to crushing riffs and soaring melody.*	▶ SPOTIFY
02	**WEIGHT OF THE WORLD** TOP TRACK *The band's defining anthem. Heavy, melodic, and impossible to shake.*	▶ SPOTIFY
03	**BREAKING POINT** *When holding it together stops being an option. A wall-of-sound catharsis.*	▶ SPOTIFY
04	**WORKING GRAVES** *Dark, groove-driven commentary on the exhaustion of modern existence.*	▶ SPOTIFY
05	**HOUSE OF MONSTERS** *An atmospheric descent into the shadows we build around ourselves.*	▶ SPOTIFY
06	**DRINK TILL I BLEED** *Visceral and unfiltered — the sound of numbness used as armour.*	▶ SPOTIFY
07	**NOT FUCKIN' ME** NEW · MAR 20 *A defiant refusal. Hard-edged, sharp-tongued, and ferociously alive.*	↓ DOWNLOAD
08	**JUST DO IT ALREADY** NEW · MAR 20 *Urgency and frustration collide in this driving, uncompromising track.*	↓ DOWNLOAD
09	**BENEATH THE STILL** NEW · MAR 20 *What lives under the surface when the noise finally stops. Haunting and wide.*	↓ DOWNLOAD
